Analysing the results of the Winton Centre Uncertainty Communication Workshop

26-27 November 2018

How does belief in global warming interact with other aspects?

Respondants were asked “Do you believe global warming is caused by human activities?” before the survey, along with some other questions.

How worried are you about global warming?

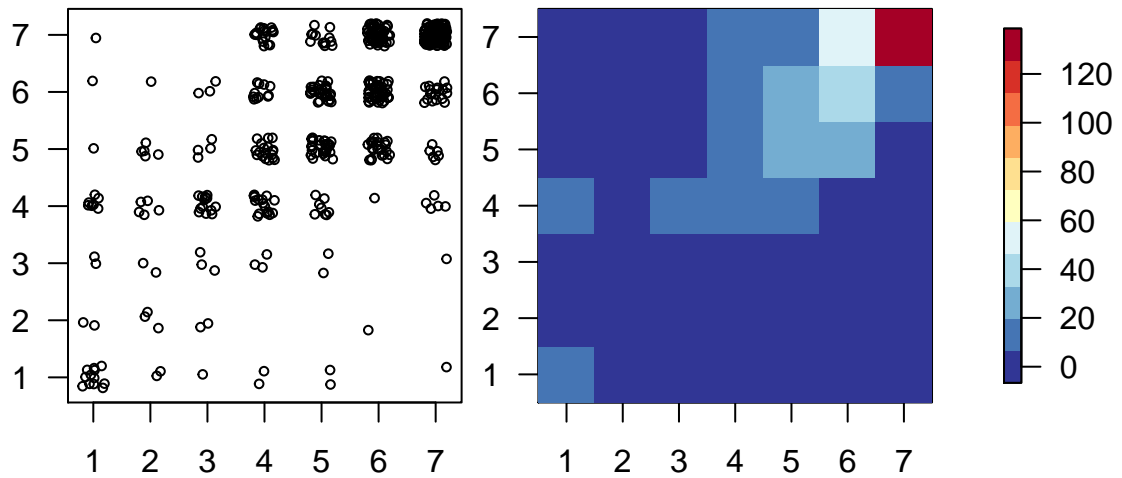

Do you believe global warming
is caused by human activities?

```
##          worried
## belief  1  2  3  4  5  6  7
##      1 18  4  2  1  1  0  0
##      2  8  4  3  2  0  1  0
##      3  2  7  7  5  4  0  1
##      4  5 10  9 22 11  4  7
##      5  2  7 10 18 17 22  5
##      6  2  3 12 14 24 43 23
##      7  2  3  5  7 16 46 84
```

Do you think people should be doing more or less to reduce global warming?

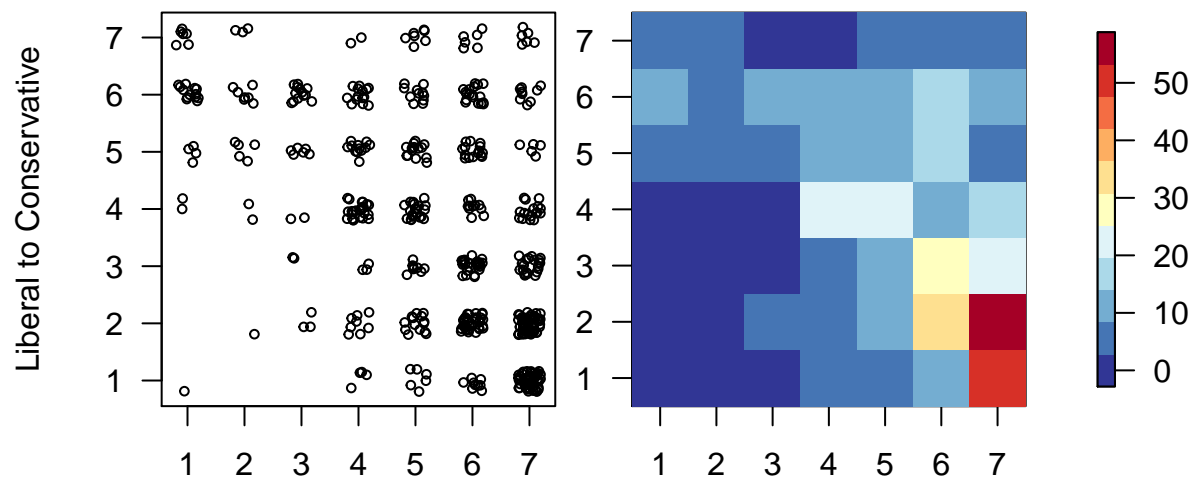

Do you think people should be doing more or less to reduce global warming?

Do you believe global warming is caused by human activities?

##		domore
